

ABOUT US...

The Laughing Cow® is a deliciously smooth and yummy cheese that's unexpected, unique, and full of dairy goodness without any added preservatives, flavours or colours. When you open a pack of The Laughing Cow® cheese, you discover endless cheese moment opportunities.

You can relish the smooth and creamy cheese in a snack recipe, spread it on a fresh piece of bread, or enjoy it all on its own! Any way you eat it, The Laughing Cow® helps you take a moment out of your day, to enjoy snacking your way.

All over the world, The Laughing Cow® always brings smiles and pleasure to people. This particular brand has lost none of its vitality more than 90 years after it was created.

The Laughing Cow® has it all; a unique recipe, quality ingredients, a universally loved taste, and a recognisable red cow!

With more than 10 million portions sold each day around the globe...cheese, anyone?
